

Quick Facts

Safety Council Discount

The Ohio Bureau of Workers' Compensation offers a discount program for participating in you area safety council. 76 safety councils participate in this program which promotes strategies to increase safety and health in both the workplace and the community. The possible 4% premium discount would be on top of any discounts earned through the Premium Discount Program, The Drug Free Workplace Program or a group rating plan.

Eligibility

To qualify for a two percent premium reduction employers must meet the following requirements.

- Enroll with the local safety council by July 31.
- Attend 10 meetings or events.
 - At least 8 through the local safety council
 - Credit for 2 meetings may be obtained by attendance of Workers' Comp University, Ohio Safety Congress, DSH safety training courses or industry-specific training.
- The CEO (highest ranking officer) must attend one safety council sponsored function or meeting (CEO

attendance counts as credit toward one of 10 meetings required).

- Submit semi-annual reports for the calendar year.

Additional Discount

Employers can also earn an additional 2 percent performance bonus for reducing either frequency or severity of claims by 10 percent, or with maintenance of both frequency and severity at zero. An employer must meet all eligibility requirements to be eligible for a performance discount.
